

We're here to help

Pattinson & Brewer has worked alongside the Police Federation and its members for over 25 years. Our solicitors understand the unique nature of cases for police officers and the issues affecting your work.

We are committed to representing you effectively in all types of employment dispute, personal injury, medical accident and police discipline cases.

We have recently strengthened our northern team with the addition of an employment specialist based at our York office.

Pattinson & Brewer are proud to have been able to support the work of the Police Federation of England and Wales and to represent its members. We look forward to continuing our strong and close relationship.
