## GAP Insurance

If your car is written off, 1 or 3 years' cover for any shortfall of up to £25,000, between the insurance offer and the retail value of your vehicle (as per Glass's Guide) on the day you purchased your policy.

Example Premium at July 2010 - Car cost up to £20,000 - cover £10,000 deficit for 3 years - for a total cost of only £136.50 or £16.20 per month for 10 months - £162.50 total.

Cover can be purchased for cars you already own up to 7 years old.
